## ANNIVERSARY YEAR CHURCH DIRECTORY

We have sensed the need of a Church Directory here for some time. We know of no such directory distributed to the membership in recent years. It is hoped that it will serve the following purposes:

1. KNOWING OUR MEMBERSHIP. Members, both older and newer, often inquire as to whether such and such an individual is a member here. This should help to acquaint us, and answer these questions.
2. COMMISSIONS and COMMITTEES: Those working on committees and other activities often need a membership list at hand for their work.
3. CORRECTIONS: It seems an endless task to keep a membership record as large as ours correct and up-to-date in all respects. We are sure that there may be some who are members here who may find their names omitted from this list through some mistake. If so, please help us to rectify this on our records. Also, there may be those who have withdrawn from our membership without letter and have not notified us. We should also like to know about this.
4. NOTE: Some new members have been received since this alphabetical list was set up for mimeographing. We carry that list separately following the full list. From time to time our newsletters will carry corrections, additions, etc., which you may transfer to the blank pages at the back if you want to keep your directory up to date. Some members on this list have deceased since the work was started. Those using this Directory please make these corrections.
5. OCCUPATION: Only a few answered our questionnaire as to profession, occupation, or business, - so that feature which could have been of value in many ways is quite sketchy.

### NOTES ABOUT MEMBERSHIP

Our membership as of May 15, when we reported to Annual Conference, was 1924. This is a large membership with which to keep the desired contact. Our Membership and Evangelism Commission, headed by Harold Eggers, is in process of forming a Shepherds' Club. A Shepherds' Club chairman has been named for each Sector in the community, corresponding mainly with the Precincts in town and the Rural Routes in the country. Each Sector Shepherd has block and neighborhood shepherds to work under his or her direction. Illness in homes is to be reported immediately. Regular reports monthly. Send all information and corrections to Mrs. Dorothy H. Bryant, our Membership, Finance, and Recording Secretary.
